

Electronic Devices – HS Quick List for Daily School Use

*For a complete overview of digital policies for CCS, please see the *CCS Acceptable Use Policy*.

Device Requirements:

- Physical keyboard
- Internet connectivity with browser capabilities
- Windows laptop or PC, MacBook, Chromebook with modern browsers are all acceptable. iPads are **not** recommended.
- We recommend devices no older than four to five years of age.
- Approved translators must comply with the school's AUP.
- Cell phones are NOT an acceptable device for classroom use.

It is expected that all Capital Christian High School students will...

- come to school every day with devices fully charged.
- bring a pair of earbuds every day for classroom instruction only.
- clear all open apps and close all windows at the beginning of every class.
- only open apps and windows they are given permission to use during each class.
- keep their devices on their desks (not in their laps) or put away during the class period.

Capital Christian High School students may not...

- record audio or video and/or take pictures of teachers, staff, administrators, or students during the school day without receiving prior permission from the teacher.
- open/use their devices in the school locker room or any school restrooms.
- share passcode or passwords with any other students.
- use another student's device without permission.
- use apps or websites connected to gaming, social media, music, etc. during class unless permission has been given (between 7:30am-3:00pm).

During Break and Lunch:

- Students may use their devices appropriately.
- School staff maintain the right to check what students are doing at any time during the school day.
